Applied Science
(Paramedic Emphasis)**

"Our Business Is You"

Certificate of Proficiency Emergency Medical Technician

The Paramedic program is designed to produce skilled paramedics for pre-hospital care and transportation. Paramedic graduates are eligible to take the *National Registry EMT-Paramedic Certification Examination. Enrollment: Maximum 20 students per instructor.

The paramedic program is accredited by The Commission on Accreditation of Allied Health Education Programs (CAAHEP). CAAHEP recognizes the program's compliance with the nationally established accreditation standards. Accreditation standards are established by CAAHEP and American Academy of Pediatrics, American College of Emergency

Physicians, American College of Osteo-pathic Emergency Physicians, American College of Surgeons, American Society of Anesthesiologists, National Association of Emergency Medical Technicians, National Association of State EMS Directors, National Registry of Emergency Medical Technicians, the National Association of EMS Educators and The Arkansas Department of Health, Office of EMS and Trauma Systems.

The Arkansas Department of Health, Office of EMS and Trauma Systems requires an individual to successfully complete 701 hours of theory and 675 hours of clinical hours in order to qualify to take the National Registry EMT/Paramedic Certification Examination.
