Certificate Of Proficiency Emergency Medical Technician (EMT)

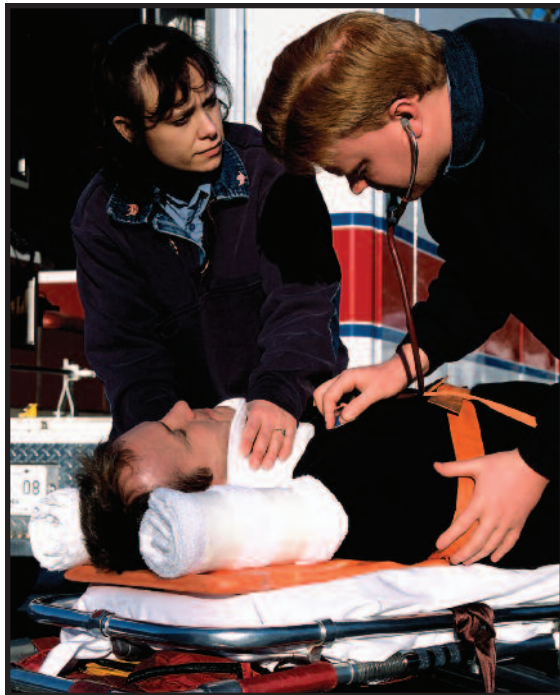

"Our Business Is You"

Certificate of Proficiency Emergency Medical Technician

The Emergency Medical Technician curriculum meets the requirements of the Arkansas Department of Health Division of Emergency Medical Services.

The Emergency Medical Technician course is under the guidelines of the Department of Transportation and Arkansas Department of Health, Division of Emergency Medical Services (EMS). Completion of the program will allow the student to take the National Certification Exam at their level of training. Criminal background checks are required for all EMT/Paramedic students prior to testing.

EMT 1104 Pre-Hospital Environment—

Introduction to the EMS system including principles of human anatomy, physiology and patient assessment.

EMT 1302 Trauma Management—

Instruction in this course includes: patient Assessment, procedures used in treating injuries, prevention of further injury, pre-cautions in transporting.

EMT 1402 Medical Emergencies and Transport—

This course will develop the skills to meet the needs of most of the runs the student will face as an EMT.

EMT 1502 Basic EMT Clinical Rotation & Lab—

The student must rotate through the emergency departments to develop the skills that were discussed in the classroom setting.
