WELD 2204	Advanced MIG Welding.....	4

Minimum Required Credit Hours (15)

“ASUN: It’s Closer Than You Think”

Welding Technology can be used in so many different ways, job opportunities are very plentiful. Completers of the Certificate of Proficiency program will develop the skills necessary for employment in manufacturing, machine fabrication, plant maintenance, and other industries that require welding skills. Some students have also used welding to create metal art as a hobby or profession.

According to salary.com an entry level welder will start out around \$24,000 in the NE Arkansas area

Technical Certificate in Welding

Welding

Because Welding Technology can be used in so many different ways, job opportunities are very plentiful. Completers of the Certificate of Proficiency program will develop the skills necessary for employment in manufacturing, machine fabrication, plant maintenance, and other industries that require welding skills. Some students have also used welding to create metal art as a hobby or profession.

Welding as a Career!

High-paying, entry-level career opportunities in welding await students in every area of the country!

Enjoying Welding as a Hobby!

Hobby-welding, home welding processes, decorative gates, trellis, fences, home weld repairs, farm tools, small creative project welding, creativity, welding techniques, welding information, welding links, welding tips, welding instructions, welding training, improving welding results, and welding safety issues.

Enrolling

Prospective students should submit the following required credentials prior to the date of desired registration:

1. APPLICATION—An application for admission can be completed online at www.asun.edu.
2. TEST SCORE—COMPASS or ACT — Student Profile Report. (In accordance with state law, scores are required for placement in math, English, and reading.)
3. TRANSCRIPTS—An official high school transcript that includes date of graduation, or results of the General Education Development test (GED), and official transcripts from previous colleges or universities. (A tentative admission decision can be made on the basis of a seven-semester high school transcript.)
4. SHOT RECORDS—Provide proof of immunization for 2 MMR. (Arkansas state law requires all full-time students born after January 1, 1957 to provide proof of two separate immunization dates.)

Cost & Financial Aid

The cost for the Certificate of Proficiency in Welding is \$75 per credit hour and \$5 QIF fee per credit hour. The approximate total will be \$1,200.

Financial aid may be available to those who qualify, you can go to www.fafsa.ed.gov to apply.

This program may be completed in one semester if student attends all classes scheduled
